Old Business

Booster Club 2017-18 Goals:

#1- Welcome to Crane sign – **Completed and looks great.**

#2. Bleachers. Funds are set aside for the bleachers \$800. Mr. Hawley is still looking for bleachers.

#3. Refurbish the scoreboard on football field. The refurbish of the score board wound up being way more expensive that first presented to the booster club. The cost is over \$10,000 to paint. Tiz said she is willing to paint the score board. All we would need is some auto paint and the use of a lift to do the work.

2018-19 Fundraising Goals:

#1. New Sound System in gym. -Completed.

#2- Remodel of concession stand in gym. Would like to take down the wall in the concessions that makes the separate storage room. Add more counter tops with underneath cupboards for storage. Joe Baker-electrician has rewired all electrical in concessions. A discussion was held on the large compressor ? in the storage of the concessions stand and if we could remove it. Joe Baker also looked at this and said it is not working and can be removed. Ramonda suggested talking to Northwest Farm Credit Services about getting a grant to help with these

expenses \$1500-\$2500 grants are available. A suggestion was to talk to Tammy Valentine to do the grant writing..

#3. 2 ticket booths. Katy will talk to her uncle Rockie to see what he can come up with. Travis Hatley is another option for construction. These could be used also for the gym use during play off games to make the flow into the gym more fluent.

#4- purchase a smart TV for sports to view tapes or the new Huddle app.

Pig Raffle: Completed.

New Business

Order forms are available in the office to order Football Sweatshirts.

Installing square for the concessions stands. This is a program for using debit cards. If a customer spent \$100 we would get \$97.25 due to fees. We would have to have internet access and use the use of an old ipad. This ipad would be kept for concessions use only and have the square app loaded onto it. A minimum of \$5 should be set. Pam uses this app in her trailer and says it works great and is very user friendly. The booster club is very interested in the possibility of installing square but would like to table until we can get more input from Kelli.

Concessions:

Tiz and Tomika will start the hamburgers early for the football concessions at tomorrow's game.

Tiz suggested paying the student classes for their concession help. She has the list of everyone that worked and the classes.

Membership

Ramonda is sending the article to the Burns Times Herald with a photo of the new Welcome to Crane sign along with a write up on Crane Booster Club and what it has accomplished and inviting people to become members.

The membership registration forms are in the office and will also be included in the roster at the games.

Ramonda also suggested buying team photos for all the athletes to be presented at the sports banquet like we did last year. All agreed that this is a great idea.

The next scheduled Booster Club meeting is scheduled for November 29, 2018 @ 3:00.

Tiz made the motion to adjourn the meeting. Ramonda seconded. AIF. Meeting was adjourned at 4:00 p.m.

Minutes are subject to approval.
