

Debbie Raney Photography would like to offer the following special to CUHS students/parents. Individual student/athlete/scholar photos saved to a flash drive.

Here's the deal: Photos of the students in action will be edited and saved into individual files for each student. The photos will be available for purchase upon request - (once a month, after each sports season has ended, in the middle of the season, at the end of the year.... whatever works best).

Cost per collection on a flash drive:

Up to 20 pictures	\$30
21-40 pictures	\$45
41-60 pictures	\$60
61-more	\$75

Bundling packages will be available for families with more than one student. After purchasing one students' flash drive, additional students' photos can be added for .50 per photo. For example: Bob is in the middle of everything, and there are 56 pictures of him - his photo package would be \$60. His little brother, Bubba, hides in the corner and it was a challenge getting any shots of him - there's only 10, so all of his can be purchased for .50 each, or \$5. So, both family members' photos will be on one flash drive, costing \$65.
